- a) Erection of wind turbine (24.6m high to hub and 34.2m high to blade tip) at site of proposed new wind turbine Newbald Lodge Road North Newbald East Riding of Yorkshire for Humberside Farmers Ltd.
Application type: Full Planning Permission.

Resolved: It was unanimously agreed that the Planning application should be refused for the following principal reasons :- Parish Council Policy supports individual wind turbines for private use. This proposal proliferates the numbers already there and constitutes the start of a wind farm. The council strongly objects for all the landscape etc reasons.

Resolved: It was unanimously agreed that if the planning officer recommends a different decision it should be referred to the appropriate committee/Sub-Committee.
Clerk to submit response to ERYC.
