The three members of the public expressed their views against the appeal, and noted some of their concerns. All Councillors voiced their strong opposition to the plans. Concern was raised that some of the appeal document did not appear accurate. It was noted that the area was historically part of the quarry but had not been quarried for over 90 years. It is believed that historically it will of had an agricultural holding number. At some time in the past part of the land was used for allotments, and in the last 20 years it has been used or Hay and exercising horses. **RESOLVED:** a strong letter be sent to the inspectorate requesting that he upholds ERYC's REFUSAL and REJECTS the appeal.
