

Minutes of an Extraordinary Meeting of the Parochial Church Council of All Saints Church,
Bishop Burton held on Sunday 25th October 2015 in Church.

Present: Rev R Young – Chairperson
 Mr D Oxtoby
 Miss H Swann
 Mr N Penton
 Mr T Thomas
 Mrs S Thomas
 Mrs M Wray
 Prof S. Ersser
 Mrs A Cherry
 Mrs S Pickering
 Mr G Richardson
 Mrs A Danforth – Secretary

Apologies for Absence were received from Mrs J McDonald.

The meeting began at approximately 12.20pm, and was convened to discuss urgent repairs to the Church's central heating boiler.

Rev Young explained that a Faculty to carry out the repair work had been applied for, and this has been approved by the DAC, as they understood the urgent nature of our situation.

Mr Andrew Boyce who is the Diocesan Architect, will come to the Church on Wednesday 4th November at 4pm to confirm where the new ventilation will be installed, as holes will be required through the stonework of the Church wall.

The cost of the work, which will be carried out by British Gas, will be £2,500 plus VAT, and Mr Penton confirmed that we do have enough funds in the Fabric Account to cover this expense.

The Resolution to have this repair carried out was then put to the Committee, a copy of which is marked Appendix A and is attached to this Minute. It was proposed by Mrs Danforth, seconded by Miss Swann and unanimously agreed to by all present.

In the interim period whilst the Church is without central heating, Mr Beynon has organised some temporary gas heaters, which are to be used only during Services and under supervision. The gas bottles from these heaters will be removed from the Church when they are not in use, and the heaters themselves will be locked away. Rev Young made it clear that no other forms of heaters are to be used in the Church. Mr Beynon was thanked by Rev Young on behalf of the PCC for making these arrangements.

The meeting closed with a prayer by Rev Young at 12.45pm.
